

# The Dolls House - Inventory

Updated Feb 2009

The Dolls House is one of four semi-detached cottages, lying along the roadside with open views to the front towards the sea. They are 'A' listed as being of outstanding historical importance and as such have some superb original features like panelled walls, coomed ceilings, etc. The stairs leading to the two bedrooms are also original and are steep with narrow treads - some people may find them difficult to climb.

**PETS ARE ALLOWED TO STAY IN THIS COTTAGE** (not allowed on furniture or beds. £25 housekeeping charge)
